CGX Glass Series

BOTTOM MOUNT

The CGX Glass Series bottom mount fridge is the ultimate in innovation with its unique 3 door design and glass front door. It is designed with a reduced width, perfect for smaller fridge cavity space, and features a vegetable drawer, an automatic ice maker, a supercool chilling case, and a convenient freezer drawer.

MR-CGX450ER 450 Litres

Vegetable Drawer with VitaLED

Designed to maximise the freshness of produce. The drawer features a higher humidity than the main refrigerator compartment and is ideal for storing and keeping fruit and vegetables crisper and fresher for longer.

Automatic Ice Maker

There is no need for a separate plumbing connection. The removable water tank can be filled with water and the Ice Maker is ready to go!

Supercool Chilling Case

The Supercool chilling function is ideal for storing meat, fish or other perishable food without freezing it. This provides the convenience of food ready to cook without the need to defrost it.

2-Way Flexi Glass Shelf

Make the Tempered Glass shelf deeper or push it in for more space. It is ideal for storing taller items such as a salad or dessert bowl.

Glass Door Finish

Toughened glass front panels present a luxurious, striking finish and are easy to keep clean.

4.0 Star Energy Rating

The number of stars on the energy rating label helps you compare the efficiency of the same volume and similar type.
