LX SERIES FRENCH DOOR
PRODUCT FLYER

LX Series

FRENCH DOOR

The first thing you notice about the LX Series is its striking looks with toughened glass front panels, presenting a luxurious finish. French doors open up to reveal spacious wide shelving. The French Door design delivers a wide internal space, perfect for large platters and ensuring maximum storage capacity.

Convenient features include separate vegetable and freezer drawers, an automatic ice maker that doesn't require plumbing and a Supercool chilling case for storing items at about -3°C to 0°C without freezing it.

Supercool Chilling Case

The Supercool chilling function is ideal for storing meat, fish, or other perishable food without freezing it. This provides the convenience of food ready to cook without the need to defrost it.

Vegetable Drawer

A large drawer with a divider in between to store fruit and vegetables. A full-width tray at the top is ideal for storage and organisation of smaller and delicate items such as punnets of fruit.

Automatic Ice Maker

There is no need for a separate plumbing connection. The removable water tank can be filled with water and the Ice Maker is ready to go!

Endless Intuitive Features

A unique LED control panel lights up with just a touch to provide access to all the settings.
