

RAHID35X

Island Rangehood

HIGH PERFORMANCE

Powerful air extraction of up to 700m³/h enhanced by a 3-speed fan mode, making Linärie's range hoods ideal for open kitchens.

OPTIMAL

4-layer filter equipped with activated charcoal and a stainless-steel surface for removal of smoke and odors.

TOUCH DISPLAY & REMOTE CONTROL

Intuitive electronic controls to easily access important functions. Conveniently adjust settings from a distance with the remote control.

ADJUSTABLE

Particularly suitable for open plan kitchens, the 35cm ceiling mount island rangehood comes with 160cm steel cables so you can adjust rangehood height to suit your space.

ECO FRIENDLY LIGHTS

Environmentally responsible LED lights provide ample clarity over the cooking area, which can be conveniently adjusted to your preference via the control panel or remote control.

EASY TO CLEAN

Stain and scratch resistant, the rangehood can be cleaned simply by wiping it down.
