BENEFITS

AirFry for that perfect, healthy crunch
When a food craving hits, make healthier and delicious food right in your oven. Deliver all the flavour and none of the guilt. AirFry allows you to make healthier, tasty meals for the entire family right in your oven.

Bring out the flavour with high heat
Whip up tasty stir-fries and more with our high-powered wok burner. You'll get the high heat you need with 14 MJ/h of power at its highest setting.

Family safety first
Our cast iron trivets flat design ensure the base of your pots and pans are fully supported, allowing you to have a safe and stable cooking environment.

Clean your shelf supports with ease
When it comes to cleaning your oven we want it to be fuss free, given the design of our shelf supports you can clean the sides of your oven with ease as there are no racks to be removed.

Set for 2 hours and it will ring
The mechanical timer keeps track of your cooking time for 2 hours with a ringer to let you know you are ready to restart the timer or finish your dish.

Sleek and Stylish
With a fingerprint resistant finish dark stainless steel brings a modern feel to any kitchen. With a practical and premium finish you can take your kitchen in a fresh new direction by incorporating dark stainless steel appliances into your plans.

Built in Australia

Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.
