FEATURES & BENEFITS

AUTO COOK MENU

A selection of 9 automatic recipes with preset values to offer optional cooking results.

TURNTABLE-FREE DESIGN

Allows you to place square dishes in the microwave, with a large cavity to fit a variety of cooking creations.

MICROWAVE AND GRILL

Different cooking functions for versatile, time-saving cooking.

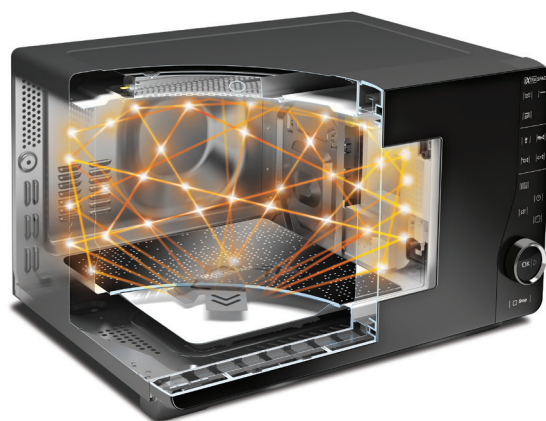

JET START

This function will start the oven quickly at full microwave power (900w) for 30 seconds.

AUTO CLEAN

This automatic cleaning cycle will help you to clean the microwave oven cavity and remove unpleasant odours.
