FEATURES

Steam / Boil

This function allows you to obtain healthy and natural tasting dishes by cooking with steam.

Jet Start

This function will start the oven quickly at full microwave power (900W) for 30 seconds.

Defrost

This function will defrost Meat, Poultry, Fish, and Vegetables.

Auto Cook Menu

A selection of automatic recipes with preset values to offer optimal cooking results.

Soft/Melt

A selection of automatic recipes with preset values for softening and melting of food types.

Keep Warm

This function allows you to keep your dishes warm automatically.

Auto Clean

This automatic cleaning cycle will help you to clean the microwave oven cavity and remove unpleasant odors.
