2019 USPS Shipping Rates

In 2019 USPS has simplified their pricing structure to only offer Retail Pricing and Commercial Pricing.

This chart is for 2019 Commercial Pricing • Effective January 27th, 2019 • Virginia Living Store Order Desk system will use these prices

Commercial Pricing - The cheapest rates USPS offers for this service!

The national average costs are in **YELLOW** in the applicable rate sheets. Your average costs will differ depending on which zones you ship to.

These national zone averages are used to create average cost forecasts in the applicable rate sheets:	0-150 miles	150-300 miles	300-600 miles	600-1000 miles	1000-1400 miles	1400-1800 miles	1800+ miles	Territories
	L, 1 & 2	Zone 3	Zone 4	Zone 5	Zone 6	Zone 7	Zone 8	Zone 9
	12.45%	6.12%	15.27%	20.93%	11.70%	10.65%	22.86%	0.03%

Specific Rates for each of these categories are on the following pages. These options will show up in Virginia Living Stores Order Desk system accordingly based on packaging, sizes and weight plugged in.

For example: if your package is less than 1 pound it will only show USPS First Class Package, USPS Parcel Post (always ignore!), USPS Priority and Priority Express - you would choose First Class Package - never the other 3 as it's not faster and costs much more. If it is over 1 pound it will only show; USPS Priority (*this category includes cubic and weight based*) , USPS Parcel Post (always ignore!) and USPS Priority Express and then you would choose the least expensive option based on size, weight and packaging.

Shipping Rates Overview

These are the preferred and only options for Virginia Living Store Vendors:

Service	Days	Description
First Class Package	1-3 Day (Your Own Packaging)	The cheapest service for packages that weigh 15.99 ounces or less
Priority Mail (Cubic)	1-3 Day (Your Own Packaging)	The best deal in shipping for packages that weigh over 16 ounces! Rates are based on dimensions, not weight, so you can ship up to 20 lbs for no extra cost. \$100 insurance included. Use your own boxes or packaging.
Priority Mail Flat Rate	1-3 Day (USPS Supplied Packaging)	Only a better deal than Priority Mail Cubic if using a USPS Small Flat Rate Box or any USPS Flat Rate Envelope .
Priority Mail (Weight-Based)	1-3 Day (Your Own Packaging)	Only cheaper than Priority Mail Cubic in a few select cases, or if your package is very large. Use your own boxes or packaging.
**In the Order Desk system always ignore "Parcel Post" - this imports automatically and we can't delete it but it's much slower; 2-8 days. It's the old name for "Retail Ground" and we are only offering Commercial Pricing		

The following options are included for reference information only - Virginia Living Store does not offer or recommend!!

Service	Days	Description
Priority Mail Regional Rate	1-3 Day	Never cheaper than shipping a similarly-sized package with Priority Mail Cubic. Never recommend!
Priority Mail Express	1-2 Day	If you need overnight delivery this is the only service USPS offers, with guaranteed 1-day delivery in urban areas and 2-day delivery to/from rural areas. Very VERY expensive, Never Recommend as it's not much faster than Regular Priority options. Due to the drop-ship nature of our website we can also not guarantee that vendors will ship in time.
Priority Mail Service Comparison		Not sure which Priority Mail sub-service is cheapest for your situation? This rate comparison can help!
Parcel Select Ground	1-3 Week	The slowest service USPS offers, as packages are transported via ground only. Never recommended due to multi-week delivery times, but required for ORM-D products like nail polish or perfume.
Media Mail	2-10 Days	If you only ship educational materials like books, music, or films , no other products or advertising allowed. This is the cheapest way to ship! But USPS may inspect your boxes to verify the contents are allowed.
Signature Confirmation		If your package could be stolen from a porch after delivery, add a signature service so delivery is guaranteed.

****Virginia Living Store does not offer any international options so they are not listed on this chart**

USPS Priority Mail (Cubic) - 1-3 Days anywhere in the country

The cheapest, fastest way to ship packages **over 1lb**, \$100 insurance included. Use your own boxes or packaging.

Rates are only based on dimensions, not weight, so you can ship **up to 20lbs** for no extra cost!

How to calculate: (although it will only show up as an option in Order Desk if your package meets above criteria, typically you don't have to calculate - just plug in size and weight into the shipping label options and it will calculate for you)

To determine which tier your package is in, round down the dimensions to the nearest quarter inch and calculate:

For boxes: $\text{Length} \times \text{Width} \times \text{Height} / 1728 = \text{Cubic Feet}$ (Maximum 18" in any dimension) - For envelopes: $\text{Length} + \text{Width} = \text{Lookup Cubic Tier}$

Priority Mail Cubic is the cheapest Priority Mail service, always beating Regional Rate and Medium & Large Flat Rate Boxes by up to 54%.

Priority Mail Cubic will also save you up to 90% what it would cost to ship directly at the Post Office.

Priority Mail - Service Comparison

Priority Mail has 4 different sub-services. They all have the same delivery standards, with 1-3 day delivery and \$100 insurance included.

Priority Mail Cubic is the cheapest service to use if your package is small enough to qualify (make it small as possible!)

Priority Mail Cubic is based on dimensions, so you can ship up to 20 lbs for no extra cost.

To determine which tier your package is in, round down the dimensions to the nearest quarter inch and calculate:

For boxes: Length x Width x Height / 1728 = Cubic Feet (Maximum 18" in any dimension)

For envelopes: Length + Width = Lookup Cubic Tier

Flat Rate and Regional Rate require you to use the USPS-branded packaging for those services.

Most Flat Rate options are more expensive than it would be to use your own similarly-sized packaging.

We only recommend Small Flat Rate Boxes or Flat Rate Envelopes, which are great deals.

We NEVER recommend Regional Rate, which is always more expensive than Priority Mail Cubic.

If your package is too large or heavy for Priority Mail Cubic, then Weight-based Priority Mail is the best way to ship.

USPS Parcel Select Ground - 1-3 Week - INCLUDED FOR REFERENCE ONLY!!

VIRGINIA LIVING STORE DOES NOT OFFER THIS SERVICE!

USPS's ground-only service, with 1-3 week delivery. **Only slightly cheaper (~2%) than Priority Mail but waaaaaaay slower... not worth it!**

Packages exceeding 1 cubic foot are charged the dimensional weight (Length x Width x Height / 166) if greater than the actual weight.
