

THERMO-HVAC THERMO-THIMBLE

THROUGH-THE-WALL LINE SET KIT

New and existing retrofit kits. Available in both round and rectangular.

The Professional Way to Run Your A/C Line Set & Wire Projects

THERMOTHIMBLE is innovative...

- Stops line set snagging
- Creates a permanent, air-tight seal through walls
- High-density foam gaskets keep out air, insects and other pests
- No ugly holes to patch

THERMOTHIMBLE is easy to install...

- Installs easily on siding or masonry walls
- Saves labor costs
- Unit offers custom, professional look
- For new construction or retrofit
- Residential and commercial

Easy no-snag way to run your line set and wire projects THROUGH WALLS.
