“Sweet Heat” Trend Continues with Mrs. Renfro’s Mango Habañero Salsa

FORT WORTH, Texas (Jan. 17, 2006) – Three years after the successful launch of Raspberry Chipotle salsa, Renfro Foods has added Mango Habañero salsa to its growing line of Mrs. Renfro’s gourmet salsas, which is to make its debut at the Winter Fancy Food Show in San Francisco.

“Sweet heat and fruit and pepper combinations remains very strong in the specialty food and restaurant business,” says Doug Renfro, president of the Fort Worth, Texas based company. “We’ve seen mango habañero relish for years served with seafood such as halibut and mahi mahi. Like our Peach and Raspberry Chipotle salsas, it’ll be a very versatile product that can be used as a salsa, dip or marinade,” he adds.

Every Mrs. Renfro’s salsa comes with a tasty, easy-to-use recipe right on the label for quick gourmet meal ideas. Only natural ingredients are used in Mrs. Renfro’s salsas. The gourmet salsa line now features Peach, Chipotle Corn, Black Bean, Roasted, Garlic, Raspberry Chipotle and Mango Habañero.

Renfro Foods, founded in 1940, is a third generation family run business celebrating its 66th year. Renfro’s manufactures a variety of salsas, sauces and relishes, including 26 Mrs. Renfro’s products distributed through supermarkets, gourmet food stores and gift shops in all 50 states, the Caribbean, Canada and England.
