

The inkAID Educational Advantage Program offers discounted prices on qualified products to students and faculty in approved fields of study at accredited academic institutions.

Student Discount - 15% off on all **inkAID Coatings**, 10% off on all other **inkAID Products**.

Faculty Discount - 10% off on all **inkAID Coatings**, 5% off on all other **inkAID Products**.

If you would like to enroll in the inkAID Educational Advantage Program **please review the information below carefully.**

To be eligible for the inkAID Educational Advantage Program you must be a student or faculty member in an accredited fine art, photography, graphic design, new media, or other approved program at a collegiate-level institution or high school. College or University students must be fully matriculated in a course of study leading to a degree with an anticipated date of graduation.

You'll need to provide all of the following information;

- Name
- Billing address
- Shipping address, if different from billing address
- Telephone number where you can be reached (will only be used if we need to contact you)
- E-mail address
- School name
- Program of study
- Anticipated graduation date
- A copy of your Student or Faculty photo I.D.
- Date range within which your registration is valid

Please e-mail this information to the attention of Jim Kedenburg at inkAID@ontspct.com.

After we receive your application we will reply via email with your approval.

Please do not place your order yet.

After you receive your email from inkAID approving your eligibility for the educational discount you will need to complete the following actions:

- Register on the inkAID website so that we know who you are.
- Next, send an email to "inkAID@ontspct.com" letting us know that you've registered and exactly which products you will be purchasing.
- We'll then reply to you with a coupon code to use for your purchase. Please note that there are separate coupons codes for various products within the store. You may need to place more than a single order.

If you have any questions please don't hesitate to contact us.
