Assembly Instructions for Hitting Station

1. Hold Black hinges and place Orange Pocket on ground with Net spread out away from you. Then open frame laying both sides on ground.

2. Open the two sides to a locked Position and lay on the rubber feet.

3. Extend the Rear leg frames until they lock (click).

4. Connect two of the longest poles (A), and slide down rear orange sleeves (B). Then insert fully into rear pole socket (C).

5. Connect the three shortest poles together and slide down the front logo sleeves. Inserting into the front pole sockets (D).

6. Push poles in (E) direction, whilst pulling net sleeve up in (F) direction. Pull net towards you (using net itself) and connect loops over pole tops (G).

7. With the Net still tipped towards you, loop the rear of the net (H), using your thumb.

8. Stake the Net to the ground via Bungees.
