## Cross Stitch Easter Bunny Card Tutorial

Follow these steps and you will have a gorgeous, handcrafted Easter Card in no time at all!

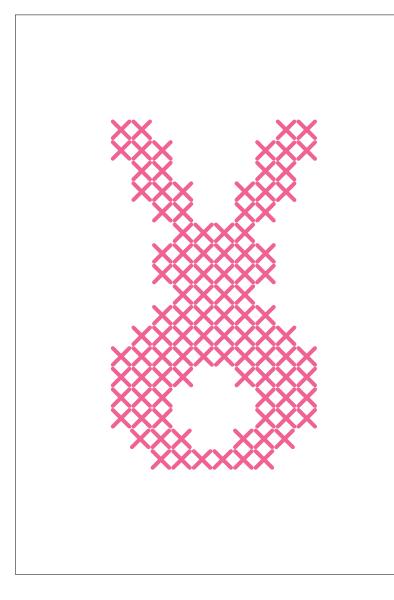

1. Start with a blank card, these are available at craft stores, Kmart, Officeworks, etc. or any piece of cardboard you have on hand

- 2. Print out this page
- 3. Cut out the TEMPLATE and centre on the front of card
- 4. Use a needle to poke holes through each of the marked dots
- 5. Remove the printed template

6. Using a needle and embroidery thread: Tie a knot in the end of the thread and pull the needle through the holes you have created to make a series of X-shaped stitches - see our stitch guide below for more help.

You are cross stitching! Hurrah!

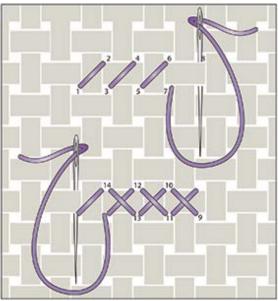

- 7. Follow the pattern by doing a cross in each area as shown
- 8. Finish by tying a knot inside the card.
