BATH COLLECTION

A new kind of jet set.

SOTRIA® BATH COLLECTION

Inspired by the optimism of mid-century America, the Sotria® Bath Collection by Brizo® takes the spirit of the 1950s and reimagines it for the modern world. Influenced by the aesthetic of airplane wings and automobile tail fins, its striking silhouette begins with an elegant round base that gives way to sleek lines and a triangular spout. The intrigue of this aerodynamic form gives flight to the imagination.
