OUR STORY

The Earp family established their first Newcastle business in 1883, and the latest generation opened the doors of our distillery in 2019.

Noticing the domination of 'big alcohol' in the Australian spirits market and an opportunity for high quality bespoke categories, Earp Distilling Co. was started to create a distillery synonymous with quality, sustainability and adventure for cocktail connoisseurs, the spirit curious and everyone in between.

We harness advanced distillation technology and take a holistic approach to ensure we craft exceptional spirits with as minimal an environmental footprint as possible. Our vision is to be one of the most sustainable independent distilleries in Australia and have adopted practices that reflect this goal, different than other traditional distilleries.

Above all, we value the importance of blending community and experience to create a shared journey with fellow spirit lovers.

LOCATION

Situated in Newcastle on the east coast of NSW, we are surrounded by the beautiful beaches of Australia's east coast and a beautiful working harbour - providing a bounty of inspiration and ingredients for our high quality spirits.

Located in the beautiful port-side suburb of Carrington, Earp Distilling Co. offers quality, relativity and new experiences to connoisseurs, the spirit curious and everyone in between. Only 2 hours from Sydney, heading north on the M1. Just 10 minutes from the Newcastle CBD, and an easy 1 hour drive to Australia's Hunter Valley wine region.

Newcastle Airport is a short 25-minute drive, and you can fly direct to Newcastle from Sydney, Melbourne, Brisbane, Canberra, Adelaide and the Gold Coast, as well as regional cities including Ballina / Byron Bay, Dubbo, Whitsundays, Sunshine Coast and Taree.
