CALZADA

44" w x 20" d x 84" h

Inspired by Cuban window paintings, our Calzada armoire evokes art deco vibes with a contemporary Floridian edge. Acrylic and brushed brass design elements add a sophisticated touch along with the caned cutouts resembling the stained mosaic windows from the original inspiration. The piece can multi-task as a bar, cabinet, or writing desk thanks to its mirrored interior back surface, interior shelves, and two drawers.

The color indicated, is shown in satin painted finish with natural cane insets, set atop a metal base in a brushed brass finish, featuring brushed brass accented acrylic door pulls.

Available in all standard paint finishes or custom color at an additional cost. Base available in brushed brass or polished steel finishes. Interior contrast color available at an additional cost. Can be outfitted as a bar cabinet as an upgrade.
