

Dear Store Buyer,

I am reaching out because I am huge fan of CompleatEats. They are plant-based superfood cookies in the grab & go format and make a great afternoon snack, a sweet treat after dinner, or even as a meal replacement for breakfast! They are also gluten-free, non-GMO and sweetened mostly with dates.

I frequently shop in your store and would love to purchase CompleatEats cookies when I'm here. I truly believe that a number of your customers would enjoy them as well!
