

PHOENIX DOMES

Warranty Certificate

This certificate extends a 5year limited warranty on the cover of your geodesic dome tent for UV damage and Deterioration. Should deterioration occur to the point of the risk of leaks, the cover will be replaced for free.

The warranty does not cover damage to the cover due to impact or sharp objects. In the unlikely case of small defects in the cover seams, Phoenix Domes will supply the customer with a patch kit and issue a partial refund proportional to the effort needed to remedy the problem.
