

*Quick-Connect Pins can replace any bolt in a Roll-A-Ramp*

*Use Quick-Connect Pins to merge two ramp pieces together making a longer ramp.*

### #3275 Quick-Connect Pins

Roll-A-Ramp owners love Quick-Connect Pins because they make it possible to increase - or decrease - the length of your ramp depending on the circumstances. The amazing flexibility and versatility of a Roll-A-Ramp is even more remarkable with Quick-Connect Pins because you can easily turn one ramp into multiple ramps.

- Split ramp at any link section
- Easier handling and storage
- Pins replace the bolts at any link section
- Push button pin is easy to insert and remove - no tools required

*Use Quick Connect Pins to divide ramp into shorter sections.*
