

HIPPOCAMPE®

Vipamat in a few words

Patrice Faucogney, Air Force veteran and helicopter mechanic, became paralyzed following a snowboard accident. Despite his handicap, he wished to continue his outdoor activities. He designs a wheelchair capable of accessing beaches and swimming areas with Vincent Leroy, his physical therapist. Together they created Vipamat in 2002.

Based in France, Vipamat designs, manufactures and markets a range of wheelchairs that allow people with reduced mobility to access leisure areas and discover new horizons.

LEISURE ACTIVITIES

“ Our commitment

to be as close as possible to the user in order to develop innovative products of high quality.

”

Vipamat leisure sports wheelchair leader since 2002

OPTIONS FOR YOUR COMFORT

FDA REGISTERED

VIPAMAT ensures a level of quality and performance satisfying the requirements of the FDA and NF Santé.

OPTIONS FOR YOUR LEISURE

Adjustable headrest

Adapts to the user's body type thanks to its height and depth adjustments.

Adjustable back

Adjustable in height and incline, it adapts perfectly to the user.

pair of armrests (adjustable and retractable)

Removable and rotating, they facilitate transfer to the chair.

Waist belt

Optimizes the position of the user in the wheelchair.

Dual harness

In elastic neoprene, comfortable and water resistant, it facilitates the support and positioning of the user.

Thermal cover

Comfortable and resistant it protects the user from cold and rain.

Spoke cover 20" inches

They protect the hands of the user during strolls.

Protective nets

Adapt between the seat and the armrests or the footrest to protect the hands and feet of the user.

Parking brakes

Rotating and rustproof, they immobilize the wheelchair on an incline and facilitates transfers.

Transport bag

The transport bag protects your wheelchair during your car and plane travels.

Backrest bag

The backrest bag allows for the transport of your personal items during your leisure activities.

Balloon wheels

Replace the double wheels and facilitate the wheelchair's mobility on sand for adult users.

Front ski

Make your walks on snow easier, adapt to the terrain and prevent accumulation of snow on wheels.

Pair of back skis

HIPPOCAMPE®

Pool 

Parking brakes included

Accessibility

The Hippocampe allows people with reduced mobility to move around freely between changing rooms, showers, and pool areas.

It can be submerged in water to simplify access to swimming.

Hygiene and security

The seat and footrest cover is made of comfortable hydrophobic foam that protects its user.

With easy maintenance, the Hippocampe can be rinsed and disinfected after each use.

Aquatic areas accessible to everyone

The Hippocampe Pool makes it easier for **people with reduced mobility to access aquatic and pool spaces.**

Usable in water, easy to use and hygienic **it accompanies users from changing rooms to pool areas while avoiding multiple transfers.**
