R-4600 / R-4602 Rollator

Color: **Burgundy**

Color: **Blue**

Color: **Burgundy**

Color: **Blue**

R-4600 Product Features

The Karman 3-Wheeler is a light 13-lbs. rollator/walker. Allows user to navigate obstacles and doorways in-passable with a standard 4-leg Walker. Three-Wheel rollators work great for people that just need something to keep their balance. Includes both a basket and storage bag to keep everything you need.

R-4602 Product Features

The Karman 4-wheel rollator and transport chair combines the functions of a rollator and a transport wheelchair into one lightweight device. The rollator turns into a transport chair by simply flipping down the footrests. This 4-wheel rollator/transport chair is very lightweight and folds easily for convenient storage and transport.

Color: Blue

R-4700

Color: Burgundy

Color: Blue

R-4608 Product Features

This lightweight aluminum walker is great for travelling; it weighs only 15 lbs and can easily fold to fit in the trunk of your car.

The 8" and the loop brakes are easy to use while providing peace of mind. Functional loop brakes can also lock in place to make it easy to rest on the rollator.

R-4700 Product Features

R-4700w Extra Wide Steel Rollator is a heavy-duty rollator that features a wide 23" handle opening and a 400 lbs. weight capacity.

The steel frame is sturdy and strong and a padded flip-down seat allows the user to stop and rest anywhere they choose without a problem.

R-4800 Product Features

This aluminum rollator by Karman is extra wide and features a 400 pound weight capacity for bariatric users. The rollator is super lightweight at just 20 pounds and easily folds for storage or transport.

KW-100 Product Features

The Knee Scooter offers increased comfort and ease of mobility to patients who cannot put weight on their foot or ankle, but want to remain active. With its four large wheels and padded knee platform, the Knee Scooter is perfect for indoor and outdoor use. The offset post on the aluminum knee platform allows for right-to-left adjustment in seconds - no tools required.
