SIGNATURE FEATURES

Touch Open/Close

Open and close your microwave with just the touch of a button.

10 Power Levels

Unrivaled flexibility to tackle a variety of foods with 10 differing power levels.

Interior Light

Ultra bright interior light gives you a full view of your food.

Defrosting Rack

In addition to expanding the amount of food you defrost, the rack allows for more balanced wave circulation.

1,000 Watt Microwave Power

From cooking small snacks such as popcorn to re-heating a whole chicken, you'll have enough power for a variety of food.

Auto-Cook Controls

Utilize the pre-set cooking menu to easily defrost, melt, or warm up your food.

Child Safety Lock

Prevent your microwave from being accidentally turned on with the child lock.

Kitchen Timer

Make good use of your time as your food as it cooks, as a built-in timer will alert you when your meal is done.
