SIGNATURE FEATURES

10 Power Levels

Unrivaled flexibility to tackle a variety of foods with 10 differing power levels.

1200-Watt Microwave Power

From cooking small snacks such as popcorn to re-heating a whole chicken, you'll have enough power for a variety of food.

Sensor Cooking

By detecting vapor emitted from food, the microwave adjusts cooking times and power levels accordingly.

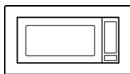

Kitchen Timer

Make good use of your time as your food as it cooks, as a built-in timer will alert you when your meal is done.

Electronic Touch Controls

Navigate through the available cooking modes and options with controls that are easy to use and easy to clean.

27" and 30" Trim Kit Available

Elevate your kitchen's decor by integrating within your cabinetry with a trim kit which improves air circulation.

Child Safety Lock

Prevent your microwave from being accidentally turned on with the child lock.

Auto-Cook Menus

A built-in setting which automatically calculates cooking time and power levels for your favorite foods.
