

## DeLonghi / DLSC059

Knock Box

No more mess! Why dig out the spent espresso coffee puck with a spoon when it is much easier (and cleaner) to knock the coffee out with De'Longhi's knock box. This sleek stainless steel accessory helps you knock out the most tightly packed coffee pucks for easy, mess-free cleaning. Made in Italy, it is slightly weighted and features an anti-slip bottom grip for increased stability on the countertop. Plus, it is completely dishwasher safe for convenient cleaning.

- Knock out the most tightly packed coffee pucks for easy mess-free cleaning
- Anti-slip bottom grip for increased stability on the countertop
- Made in Italy with a mirror-polished stainless steel body
- 40-degree cutout with 4-inch diameter
- Dishwasher safe
- 1 year warranty
