La Specialista Arte 19 Bar Pump Espresso Machine

Explore the art of espresso made right, effortlessly, with the refined features of La Specialista Arte from De'Longhi. Created for the hands-on home barista, this compact and stylishly designed machine empowers you to craft custom espresso drinks with ease and precision. From start to finish, unlock all the aromatic flavors of the beans for results that perfectly match your palette. Full control is at your fingertips with exclusive features like a conical burr grinder boasting 8 precise settings developed to expertly grind all bean varieties in a single or double dose. Use the complete barista kit, including a tamper, dosing funnel, and more, to prepare your fresh grounds in either a single or double dose in the single wall filter basket. Next, 3 active infusion water temperature levels adapt to your beans and roasting level for optimal flavor extraction. Finally, My LatteArt wand's powerful steam produces the perfectly silky milk microfoam ideal for latte art creations. Save time with three beverage presets-- espresso, Americano, and hot water-- for those on-the-go mornings. With La Specialista Arte, an authentic, hand-crafted coffee experience is within your reach. Indulge in the creativity of coffee-making as you get the best out of every bean and enjoy experimenting with foam art as a home barista.
