Cool Touch Roto Deep fryer

The De'Longhi 2.2-lb. cool-touch Roto deep fryer has a large food capacity that allows you to accommodate almost any type of food. It features a tilted rotating basket that produces crispy and tastier results with only half the oil usage. This ingenious system makes draining and recycling cooking oil safe and easy. And the dual filtration prevents the release of oil vapors and odors into your kitchen. The adjustable thermostat with indicator light allows you to set frying temperature from 300 to 370 degrees, giving the flexibility to fry foods just the way you like them. A viewing window in the lid allows you to monitor the cooking process safely. Other features include exterior lift handle, detachable cord with patented condensation shield to prevent dripping onto the cord connection, safety features, and a non-stick interior.
