

DeLonghi / EMK6

Alicia Moka Espresso Coffee Maker

The De'Longhi electric Moka espresso maker has a 3 to 6 inch espresso cup capacity. The Italian Moka espresso process involves just a few simple steps. Fill the boiler with water and the filter with ground coffee. After only a few minutes, the machine will deliver authentic Italian espresso into the container. The two-level safety system shuts the unit off when it is finished brewing and when the body is lifted from the base.

- Now you can make your favorite coffee instantly with the espresso machine that accommodates up to 6 Cup(s) of water in one go
- With any electric power source, plug it anywhere in your kitchen and brew your coffee with convenience
- Transparent container
- Italian Moka espresso process
- Cordless operation with detachable base
- Two-level safety system

Delonghi / EMK6

Alicia Moka Espresso Coffee Maker

GENERAL INFORMATION

Manufacturer Part Number	EMK6
Manufacturer Website Address	www.delonghi.com/Int/USA/menu.html
Product Model	EMK6
Product Name	EMK6 ALICIA Electric Moka Espresso Maker
Package Type	Retail
Product Type	Espresso

PRODUCT INFORMATION

Capacity	6 Cup
Features	Transparent Container Cordless Operation With Detachable Base Two-level Safety System Pressurized Safety Valve Aluminum Boiler Cool Touch Handle

CONTROLS/INDICATORS

Status Indicators	Indicator Light
Controls	Automatically shuts off, On/off Switch

PHYSICAL CHARACTERISTICS

Color	Silver Black
Material	Aluminum

MISCELLANEOUS

Package Contents	EMK6 ALICIA Electric Moka Espresso Maker 3-Cup Filter Adapter Milk Frother 6-Cup Filter Filter with Rubber Seal Splash Guard Measuring Spoon
-------------------------	--

ITEM DETAILS

Category	Small Appliances
Color	Black/Stainless
UPS Shippable	Y
Shipping Weight	3.5
UPC Code	044387255462
Country of Origin	CN-China
