Livenza Air Fryer Oven, .8CuFt Digital Display

Combine multiple small appliances in one with this countertop Livenza air fry oven from De'Longhi. Its 10 functions include air fry, toast, bake, convection, broil/grill, defrost, keep warm, reheat, pizza, and cookies so you can get all the benefits of having a machine for each capability without taking up extra space on your counter. The convection heating system precisely circulates hot air evenly around your food and maintains the temperature inside the oven while emitting up to 50% less heat off the double glass door. The oven includes a bake pan, pizza pan, air frying basket, wire rack and crumb tray so you have everything you need to make delicious, varied foods in a flash.
