Dual Master Brewer with SCAA Gold Cup and Pour Over

The world of specialty coffee beans is rich and complex, with a wide variety of single origins hailing from Ethiopia, Colombia, Panama, and Sumatra. True coffee aficionados who want to taste every nuance of their favorite single origin beans are going to love the De'Longhi 3-in-1 Specialty Coffee Brewer. Fast and easy to use, it offers three precise ways to brew. A consistently perfect drip-style brew is guaranteed with delicious Golden Cup brewing, a designation given by the Specialty Coffee Association for meeting rigorous testing requirements based on brewing time and temperature to deliver great-tasting coffee. Over Ice delivers bold, balanced, and flavorful iced coffee thanks to a proprietary process that brews all the flavors without getting watered down. Pour Over connoisseurs can enjoy a consistent cup of smooth coffee every time with an automated pulsing brew cycle and a showerhead for perfectly even extraction. Whichever of the three methods of brewing you choose, you are guaranteed a singularly exquisite cup of coffee - just choose fresh coffee beans and set up your grinder. Unlock the best with 3-in-1 Specialty Brewer from De'Longhi, the #1 global leader in coffee makers.

- **3-IN-1 Ultimate Convenience:** Bring out the true flavor of your beans with breakthrough technology that gives you the choice to brew premium drip-style coffee, a gourmet Pour Over cup, or a bold brew Over Ice
- **SCA Golden Cup Certified:** Meets rigorous testing requirements by the Specialty Coffee Association, guaranteeing a consistently perfect drip-style brew
- **Over Ice for Full-Bodied Coffee:** Over Ice feature uses a proprietary process to brew smooth, full-bodied coffee over ice so it's never watered down
- **Pour Over with Pulsing Showerhead:** The barista-style, Pour Over showerhead brewing method unlocks coffee's full potential by evenly dispersing water over the grounds for maximum saturation
- **Barista-Quality Coffee in Minutes:** Enjoy your coffee in minutes with sophisticated technology that brews automatically with consistent quality cup after cup
- **Winner of the 2018 Red Dot Design Award:** The hourglass shape reflects the slow brewing process
