AVAILABLE MODELS

Model #	Size / Color	Choose your own CFM	Sound Levels (sones)
INLT21SSV	21 Stainless	295, 395, 600 CFM	2.8 - 7.5 sones
INLT28SSV	28 Stainless	295, 395, 600 CFM	2.8 - 7.5 sones
INLT35SSV	35 Stainless	295, 395, 600 CFM	2.8 - 7.5 sones

Note: Set to 600 CFM motor class out of the box.

KEY FEATURES

Backlit Electronic Controls
Backlit electronic controls with a White LED light to indicate the current speed and LED lighting. Now you can adjust CFM's at installation from the control buttons.

LED Light Bar
Low consumption 1 watt LED bulbs light up your cooking but use very little energy

Perimeter Aspiration
Air is forced through narrow slots around the perimeter of the center panel greatly improving contaminant extraction.

Remote Control (INCLUDED)
Control all features of the hood from the convenience of a wireless ADA compliant remote control.

ACCESSORIES

 # FILTER1 –
Charcoal Filter Kit

High quality charcoal filter for use when recirculating the air back into the kitchen. Filters out odor and should be replaced every 6 months

 # FILTER1LL –
Long Lasting Charcoal Filter Kit

New washable charcoal filter can be recharged and washed up to 8 times. For use when recirculating the air back into the kitchen. Filters out odor and can last up to 4 years.

 # MUDAMPER6 / MUDAMPER8 –
Universal Make-Up Air Damper

Satisfies make-up air requirements, this kit uses an air switch to activate the make-up air damper to open and bring fresh air into the home when the hood fan is on. It then closes tightly when the hood is off. The CFM level is not reduced with this accessory.

 # WIREBOX –
Fixed Wiring Box

Replace the power cord with a hard wired box to power the range hood

 # LINE24ST –
Stainless Steel Liner 24"

See page 3 for more information.

 # LINE30ST / LINE36ST –
Stainless Steel Liner 30 & 36" -
(INLT28SSV ONLY)

See page 3 for more information.

 # LINE36PT-
Stainless Steel Liner 36"
**(INLT35SSV ONLY)**

See page 3 for more information.

WARNING! Product specifications are subject to change without notification. Consult the installation instructions before you begin installing this range hood. * Check local make up air codes for guidelines.

LINER SPECIFICATIONS

Liners are stainless steel kits that are optional for cabinet insert hoods. They create a metal 4" tall perimeter to "line" the wood below the range hood with metal. They create a more finished look and move the range hood up 4" creating additional capture area. In some cases, a liner may be required by local code if the cabinet starts at below 30" off the stove (check local building codes). All liners are adjustable in depth with a telescoping frame.
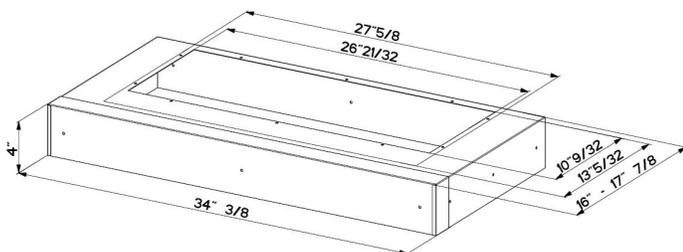

LINE24ST – USE WITH INLT21SSV

LINE30ST – USE WITH INLT28SSV ONLY FOR 30" WIDE CABINETS

LINE36ST – USE WITH INLT28SSV

LINE36PT – USE WITH INLT35SSV
