Product highlights

PureFlavor technology

Consistent great flavor from the first to last drop thanks to Braun's PureFlavor technology.

12-cup FlavorCarafe

The uniquely designed FlavorCarafe ensures that coffee stays warm for longer.

Premium LCD display

Easy to use premium LED control panel allows intuitive and convenient operation.

Anti-drip system

Anti-drip system lets you pause and pour mid-brew with virtually no mess.

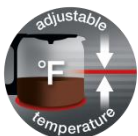

Programmable 24-hour timer

The 24-hour timer can be programmed to automatically make your coffee right when you want it.

Brew strength selector

Brew strength selector allows you to enjoy your coffee regular or bold – just the way you like it.

Keep warm plate

Keep warm plate with adjustable temperature control enables you to keep your coffee warm for hours.
