L 211cm D 90cm H 72cm / L 83" D 35½" H 28¼"

Legs - Chrome / Black Nickel

*2 bolsters are included with the Lite sofas

The Lite collection balances formal lines with casual seating proportions. The result is a classic sofa that complements any contemporary space. The Lite's durability and comfort come from its construction techniques that use exact tolerances. Each sofa is handmade by one of our craftsmen at our factory using premium materials that are carefully sourced from around the world. The removable fabric cover allows for cleaning or replacement. Lite is available as an armchair, two seat sofa and three seat sofa.

The Lite frame is constructed with a durable steel-reinforced laminated wood frame and has a steel spring suspension system adapted from the automotive industry, which provides maximum support and comfort while occupying minimal space.

The imported European seat and back cushions have been carefully selected for durability, firmness and comfort. Seat cushions are made of CFC-free polyurethane, softened by a continuous Dacron® wrap. Back cushions are baffled for even distribution and to prevent shifting of feathers and batting, thereby providing better lumbar support.

Covers come in a wide selection of specially sourced fabrics and leathers. The fabric covers are removable for cleaning or replacement. The leather covers are upholstered on.
