

CEHS-DHSG

## CEHS-DHSG cable

The CEHS-DHSG is a standard cable for electronic hook switch. It is ideal for all users of professional wireless headsets, in combination with a EHS-compatible phone\*.

This cable is an enhancement for any contact center or corporate office environment. It has been specially designed to make calls convenient to manage – thanks to easy set-up, single-button operation as well as efficient and flexible answering/ending of calls. The CEHS-DHSG is compatible with the wireless office headsets by Sennheiser Communications – DW Office, DW Pro 1, DW Pro 2 and D 10.

### Benefits and Features:

- Remotely answer your phone calls
- Handle all calls by the press of a single button, i.e. end the call
- Get notified from the distance about incoming calls by the ring tone in the headset
- Efficient and flexible call handling i.e. take or end the call
- Call control towards the phone without using a mechanical handset lifter
- Easy setup
