

## Makes calling a pleasure - with up to 3 parallel calls

The Gigaset AS690 IP is an exceptionally versatile phone with the ability to make up to 3 parallel calls either through the internet or via the traditional landline. Switch between 2 VoIP calls and 1 fixed line call at the press of a button. You can experience the convenience of multi-line calling by registering up to 6 handsets. Just pick your favorite ones among the available portfolio of more than 6 compatible Gigaset handsets. With your Gigaset AS690 IP, you can also choose up to 6 SIP accounts from different providers.
