

SUBMITTING POETRY to iOTA

Poetry is considered through both Postal and Online submissions

Three issues of iOTA are published each year along with up to three iOTA Shot Poetry pamphlets.

Subscribers receive three issues of iOTA per year.

Poetry Submission Guidelines

iOTA welcomes submissions of new poetry throughout the year.

Please send no more than six poems.

We do consider simultaneous submissions but ask that they are withdrawn from availability for publication by Templar Poetry & iOTA if accepted elsewhere within five days of another publisher accepting the work.

Poems must be in English, the original work of the author.

Translations and posthumous work is not considered for publication.

Submissions are read and considered for publication anonymously and the poet's name should not appear on the poetry.

Please include a **separate top sheet** with name, address and a full list of poems submitted.

Postal Submissions should be posted with the correct postage to the address below.

e-Submissions are accepted, and must be accompanied by an Administration Charge of £1.00 which covers our cost of downloading and printing the poetry.

e-Submissions should be sent as a single file attachment **ONLY** in ms Word format with a Cover Page as the first page which includes full contact details and titles of the poetry.

Longer submissions which exceed six pages, including the cover page **must** be sent by post.

Please pay the £1.00 Administration Charge from the Submission Page before send in the work as an attachment.

Please email the file to info@templarpoeetry.com with **iOTA POETRY SUBMISSION** in the subject line.

We will acknowledge safe receipt and printing of your online submission.

We aim to reply within three months. The decision of the Editorial Board is final.

Poetry submissions are received and considered on an ongoing basis throughout the year.

Please bear in mind that submissions made between June and September may take a little longer for a response.

Please send postal poetry submissions & copies of pamphlets and collections for review to:
