Somewhat helpful in return to activity

Data were collected and analyzed by the Rocky Mountain Consortium for Sports Research (www.rmcsr.org).

Expect Dr McInerney’s expert on Functional Movement to call you the same day you were measured for T:25 technology. If no contact was made, another call will be placed the following work day. If no contact is made then he will wait for you to call him, or text him a day and time best to talk. When he calls his phone number will read **512-659-9373** on your phone.

TeleMovement

 **512-659-9373**

The expert will ask what your specific issues are, then explain how T:25 technology can benefit YOU in 30 days or less.

If you want to order, give him your address and credit card info. Product will be shipped the same day. Topical Gear has a 30 day 100% patient satisfaction GUARANTEE. If a patient is not happy with T:25 technology email us at info@topicalgear.com. Our standard policy is to refund 100% of your money ! We look forward to providing each patient with wearables that are creating a paradigm shift in the training of human movement.
