Quality Assurance International, upon providing this certification, states that it has received the Certified Entity's application, reviewed its records, inspected its fields and/or facilities; and has determined that the certified operation identified above is operating in accordance with the requirements of the Canadian Organic Production Systems, General Principles and Management Standards CAN/CGSB 32.310 and Permitted Substances Lists CAN/CGSB-32.311-2015, as amended from time to time and/or the Terms of the US/Canada organic equivalence agreement (where applicable, as noted on the product addendum). For operations based in Québec, Quality Assurance International has determined that the certified entity above is operating in accordance with Québec Organic Reference Standards and program requirements in accordance with the general guidelines established by the Conseil des Appellations Réservées et des Termes Valorisants (CARTV). In its acceptance of this certification, the entity listed above warrants that it is in, and will remain in, full compliance with the terms and conditions of the Certification Agent; and in accordance with the general guidelines established by ISO 17065. This certificate is issued within the scope of accreditation issued by CFIA. This certificate remains valid unless suspended or cancelled by QAI, pursuant to the Organic Products Regulations, 2009.
