"Seasonal" Campers leave their campers on site for the full camping season or permanently.

Please note, we can NOT guarantee the accuracy of this list which is why we suggest you confirm their policy upon scheduling your reservation. It is also worth noting most campgrounds require you to have insurance on your golf car and may request proof (of insurance) upon checking in.

If you encounter any errors in our list, or if you can provide information about the policies of campgrounds not yet listed, please let us know so we can keep this information as current and accurate as possible.

And one last thing... please respect the rules of the campground while operating your golf car. Participating campgrounds offer this as a privilege we do not want to lose!
