# PROBIOTICS FOR PREGNANCY

## PROBIOTIC 40 BILLION CFU

FDA: 12559558102

### Boost Your Digestive Health During Pregnancy

Probiotic 40 Billion CFU is a gluten dairy-free probiotic dietary supplement suitable for pregnant ladies. Regular intake lessens the presence of bad bacteria, while supporting against gas, bloating and constipation, thus contributing towards your digestive health. Plus, the probiotics in these veggie caps are able to survive stomach acids to reach and boost your gut health, with guaranteed potency until expiration. Made with Patented Maktrek Technology, this supplement is 100% allergen free, comprising non-GMO ingredients. Probiotic 40 Billion CFU is made in USA under license and supervision of Nano Singapore.
