

Log Placement Instructions

Model: SC2430-EK

⚠WARNING!

The positioning of the logs is critical to the safe, clean operation of this gas log set. Sooting and other problems may result if the logs are not properly positioned per these instructions. Failure to position in accordance with the diagrams below, or failure to use only parts specifically approved for this log set may result in property damage or personal injury.

Enhancement Kit		1	SC2430EK
12	Log #12	1	20303579
13	Log #13	1	20303580

-
12. Place log #12 onto mid left log (#8) and mid rear log (#7) by placing notch on bottom of log onto locating block on log #8. Rest right end of log onto top of log #7. Figure 1
