Care Instructions:

This garden stool is constructed of reclaimed wood which has been pressure-treated for longevity. Care for it as you would any wooden furniture. It can withstand normal weathering but will eventually show signs of normal wear from prolonged exposure to the elements. You can extend the longevity of your garden stool by storing or covering it when seasonally out-of-use, by cleaning with a soft cloth or plastic brush and soapy water, and/or by applying wood protectant as needed.

Safety Instructions:

WARNING

DO NOT stand or allow children to stand on the garden stool. Periodically check the garden stool for structural stability. The weight limit of the garden stool is 240 lbs.
