70045 Berkeley TV Lift Cabinet

The Berkeley is designed with clean and simple styling in mind and finished in an elegant mocha stain. The Berkeley makes any living room, den or man cave really stand out.

The Berkeley TV lift cabinet was inspired by the same construction and finish of the Brookside TV lift cabinet. Borrowing the Brookside's subtle lines and mocha finish, it has quickly become one of our most popular units. The Berkeley features interior shelf lighting and tons of room behind the cabinet doors for your component and media storage.

The Berkeley accommodates most 60" diagonal flat panel plasma and LCD TVs, measuring 55"W x 4.5"D x 35"H. Behind the front doors is ample storage space for your DVD movie & video game boxes. The cabinet is equipped with sliding rear panels for easy access to your TV connections.
