

## HARRISON

### 73008 Harrison TV Lift Cabinet

The Harrison combines clean lines with a rich espresso finish to create a gorgeous cabinet with a contemporary twist. Indulge in the beauty and fine craftsmanship of this solid birch and birch veneer cabinet that features Touchstone's new exclusive built-in component shelf.

Touchstone's component shelf provides space for your sound system, cable box or satellite receiver, so it raises with your TV. When the lift rises your remotes can be used to operate all your components.

The Harrison arrives ready for plug-and-play operation so you'll be enjoying the home theater experience in minutes. Finished on all sides, the Harrison a refreshing complement to a bedroom or any room in the home. It features Touchstone Whisper Lift II TV lift system which can accommodate plasma and LCD flat screen TV's as large as 47" wide and 28" tall.
