

The Grand Bavarian

Item 3200

The Grand Bavarian is a new addition to the American Gas Lamp Works Collection, complementary to our residential-sized Bavarian lamp. Available in both gas or electric, this traditional six-sided lamp conveys European sophistication and solid functionality. Typical of central Europe's cobblestone villages, the Bavarian is one of our most flexible lamp designs. Its domed top is an ideal focal point for your choice of custom finials; you may also consider beveled panes to add a dash of sparkle.
