

Sierra Series

48" Linear Electric Fireplace

SIL48

More versatility for built-in or plug-in applications

The Sierra linear fireplace is the perfect solution for any space. With the option of building it into your wall, easily hanging it on the wall, or attaching the table top stand, you will never have a problem finding the right place for the Sierra. Switch between three bed options - go contemporary with vibrant crystals, traditional with logs or choose a more adaptable option with pebbles for a traditional or contemporary look. Change the color of the ember bed, logs and flames to add that pop of color to any room. Create that cozy feeling with the touch of a button.

Sierra Series 48" Linear Electric Fireplace

SIL48

Features

-  **Flame Effect**
High-contrast flames feature improved brightness and character for a dazzling, lifelike effect.
-  **Interchangeable Media Bed**
Enhance any space in your home with the customizable media bed by choosing between the three included options – crystals, logs or pebbles.
-  **Media Accent Colors**
Alternate between eight ember bed colors.
-  **Built-in Timer**
Set for up to 8 hours.
-  **Capacitive Touch Controls**
Settings and temperature display are hidden when not in use.
-  **LED Lighting**
Flame and lights use brilliant, low-energy LED's that require zero maintenance and can be illuminated separately.
-  **Powerful Heating**
Powerful fan-forced heater features a safe, ceramic element that provides on-demand heat for up to 1,000 square feet.
-  **Multi-function Remote**
Control the fireplace features from the comfort of your chair.
-  **All-season Flames**
Enjoy the unique charm of a fireplace 365 days a year using the flames without the heat.
-  **Cool-touch Glass**
Glass remains cool making it safe for children and pets in any location.
-  **Just Plug It In**
Simply plug into any standard household outlet for instant ambiance.

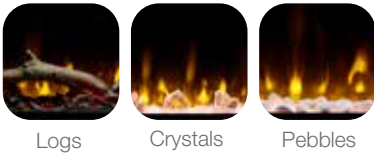

Included feet allows for tabletop installation

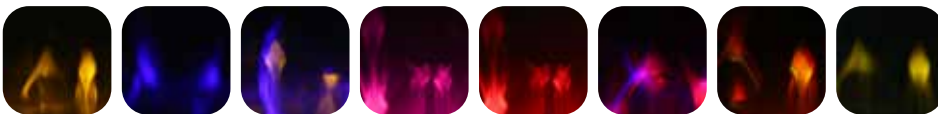

Warms up to **1,000** sq. ft.
