

READY-TO-FINISH OUTDOOR FIREPLACE ENCLOSURES

RSTL-40DLP

Finished RTF
Fireplace
Enclosures

BEAUTIFUL AND VERSATILE

Ready-to-finish linear fireplace enclosures are made from Hardiebacker® fiber cement board and G90 marine-grade galvanized steel framing. These can be finished on-site to match your landscaping, hardscaping, or exterior design with stone or other non-combustible materials. Perfect for both commercial and residential applications.

FEATURES:

- Available as see-through or single sided
- G90 marine-grade galvanized steel framing, Hardiebacker® fiber cement board
- Fireplace opening enclosure is lined with #304 stainless steel
- Includes vents pre-installed, a cut-out for a control panel, and glass wind guard panels
- UL-Listed Crystal Fire® Plus Burner Insert with Direct Spark Ignition & ignition controls included. External controls, timers, and e-stops sold separately
- Order tempered fire glass media or lava rock separately
- Can be used for liquid propane or natural gas installations, hard-pipe installation suggested
- 40" and 60" models include access door for liquid propane tank
- Enclosures 8' or less ship in one piece with drop-ship option available
- Made in USA
- Contact sales@outdoorrooms.com for information on custom sizes
