

Superior
FIREPLACES®
Our name is our promise.

“Impressive” is the only way to describe these massive wood burners. Designed for large custom applications, the WRT6000 Series fireplace features a 30” tall opening, long lasting stainless steel construction and beautiful Mosaic Masonry kiln-fired firebrick liners in a variety of designer colors and stacked or herringbone patterns. When only an authentic masonry look will do, the WRT6000 Series delivers.

FEATURED WRT6042 fireplace with Warm Red Herringbone Mosaic Masonry™ brick

IMPORTANT NOTES:

As with any fireplace, this appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer.

Local conditions, such as elevation, wind, vent configuration and choice of fuel will affect overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, climate, condition and type of fuel used, appliance location, burn rate, accessories chosen, chimney installation and how the appliance is operated.

Diagrams, illustrations and photographs are not to scale—consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.
