PEAKERS		
X12U	THD+N = 10%	₱661.0
	Glossy design/ available in Red & Black AUX 3.5 connection (digital or analogue) / Mic Input	
	Power & Master Volume control	
	USB powered	
52000	2.75' full-range unit with 16W RMS power output	₱3,219.0
	Column-shaped cabinet with backward mega bass port 12 light effects enhance gaming experience	
	Mechanical shift lever easy to control volume with subwoofer output	
	Bluetooth/USB sound card/AUX input available	
	Dedicated power adapter for stable and safety power supply	
2.1 Multimedia speakers		
(M2PF	With USB flash disk / SD card playback, FM Function 4' bass and 2 3/4' mid-range & treable drivers	₱1,887.0
	Integrated side control panel makes system adjustments easy & convenient	-
	With IR remote control to select source directly	
	Universal 100V - 240V power supply	
(M6BT	With USB flash disk / SD card playback, Bluetooth Function (XM6BT only)	₱3,663.0
	6 1/2 'inch bass and 3 ' mid - range drivers Integrated side control panel makes system adjustments easy & convenient	-
	With IR remote control panel makes system adjustments easy & convenient With IR remote control to select source directly (XM6BT only)	
	USB/SD card playback supports breakpoint memory function.	
	Universal 100V - 240V power supply	
5760D 5.1 (NEW)	Ground-shaking 5.1 surround sound system with Dolby Digital, Pro Logic II & DTS	₱37,296.0
	3 optical, 1 coaxial, analouge 5.1 and Dual Sterio inputs Multi-functional controller and wireless remote control	-
	540 watts RMS with 10" subwoofer driver & twin bass radiators that deliver	
	superb bass performance	
	INDOOR / OUTDOOR PORTABLE SPEAKER SYSTEMS	
R1280DB	Active bookshelf speaker system with 42W total power output.	₱4,429.0
	100% MDF wooden enclosures to minimize acoustic resonance.	
	Support Bluetooth 4.0 , Optical, Coaxial and Dual RCA inputs Calibrated flared front-facing bass reflect port	
	Bass, treble and master volume dials on the side panel (with wireless remote)	
R1580MB	Dual microphone inputs (6.5mm or 1/4)	₱3,730.0
	Built-in class D amplifier with 42W RMS power output	
	100% MDF wooden enclosures to minimize acoustic resonance.	
	AUX / PC / Bluetooth audio inputs with remote control 100V to 240V power	
	100V to 240V power	
R2000DB	Active bookshelf speaker system with 120W total power output.	₱9,236.0
	Bluetooth 4.1, Optical / Coaxial input and Dual RCA input	
	B- amplifing system with Built-in DSP electronical cross over	
	100% MDF wooden enclosures to minimize acoustic resonance.	
	Bass, treble and master volume dials on the back panel (with wireless remote)	
5880DB	Hi-Res Audio Certified with 4 EQ Modes	₱13,986.0
	Titanium-laminate dome tweeter drivers and Metal Diaphragm Bass Unit.	
	Aluminium frame allows for higher power and minimal vibration.	
	XMOS Digital Audio Processors	
	RCA/BT4.0/USB/OPT/COX connectivity	
32000PRO	Professional active 2.0 bookshelf speakers with 124W RMS total power	₱23,310.0
J2UUUF NU	5 1/2 Aluminum Diaphragm drivers and Planar diaphragm tweeters	P23,310.0
	High efficiency Class-D Digital Amplifier	
	Electronic Crossovers and Dynamic control based on DSP	
	Wooden side panels with matte black finish	
	100-240V Universal Power Supply

N855BT	High-performance 40mm drivers delivering crystal clear sound	₱6,438.00
W855B1	Switch from aptX bluetooth V4.1 mode to wired mode, NFC included	P0,436.00
	20 Hours of continious playback and 400 hours stanby	
	Playback controls : easily adjust volume, skip tracks, and pause tunes	
	with the on-ear playback controls	
	1 year warranty	
	T year wan ancy	
V4 GAMING	Built in 7.1 Vitual Surround Sound deliver's accurate & realistic audio experience	₱3,275.00
	Vibration feedback for more real and emmersive play	
	LED & Metal Mesh design with noise canceling technology	
	40mm neodymium drivers that produce sound that replicates sound accuratly	
	Retractable flexible boom microphone	
	USB Headset for PC's and Loptops	
	1 year warranty	
lectro Static Headphones		
TAX L500	Top quality push-pull open back oval electrostatic earspeaker headphone	₱28,860.00
	Hand selected thin-film diapragm cone	
	High grade tough stainless fixed electrodes	
	High performance pure copper HiFC paralled 6-strand low capacity copper cable	
	High quality synthetic leather	
	1 year waranty	
TAX L700	Top quality push-pull open back oval electrostatic earspeaker headphone	₱51,615.00
	Hand selected thin-film diapragm cone	
	High grade tough stainless fixed electrodes	
	High performance pure copper HiFC paralled 6-strand low capacity copper cable	
	Geniune Lamb Leather (direct skin contact), high quality synthetic leather (surrounding portion)	
	Silver-coated 6N(99.9999%) OFC parallel 6-strand, low capacity special wide cable	
	1 year waranty	
STAX D10	Compact electrostatic headphone Amp/DC	₱33,300.00
	Battery powered rechargable Li-ion	
	Hi-resolution digital to analog converter, supports DSD128	
	All aluminum chassis	
	User selectable line-in & USB DAC	
	1 year waranty	
TAX 353X PRO	Original low noise dual FET at first stage and all stage coupling class A DC amplifier	₱42,735.00
	XLR Balanced input terminal	
	Custom made 2 axis gang volume control	
	Extravagant non-magnetic aluminum alloy chassis
