

CULTURAL EDUCATION FOR HUMAN EXCELLENCE AND VALUES

Everyone desires to lead a life of unmitigated happiness. Nature is replete with pleasures. Science has provided humankind with all comforts. Despite all this man suffers physically and mentally for a variety of reasons.

Vethathiri Maharishi has designed a system of spiritual edification and practices that are ideal for alleviating the suffering of humankind and promoting physical and mental health, besides providing peace and contentment, under the name of SKY – YOGA.

Vethathiri Maharishi founded the World Community Service Center in the year 1958, the primary aim of which is to work for individual peace, family peace and world peace. In the year 2004 he commenced the educational wing of the World Community Service Center for providing spiritual and intuitional education to the aspirants under the name WCSC-VISION for Wisdom. The organization provides courses in spirituality, as well as cultural education, under arrangement with the various Universities.

Aim of the Courses

- Simplified Physical Exercises for good health
- Kaya Kalpa Practices for spiritual health and longevity
- Simplified meditation Practices that provide peace and mental health, besides helping the mind expand and improve the powers of concentration and memory
- Classes that help the aspirants remain in a state of constant awareness
- Theory classes that highlight the need to observe the noble qualities of morality, duty and charity, for the well being of the society.

E-Learning

Certificate, Diploma and PG Diploma courses in Tamil and English are offered in this mode students of schools, colleges and Universities and aspirants in other states and other countries.
