

# *Play Smart*

*The Crazy Arms Club Program*

**Protection from harmful UV rays while playing sport is really important, especially for children. Bad sunburns early in life can cause damage leading to skin cancer later.**

Crazy Arms have been created to fit like a second skin up the arm, to be worn with short-sleeved sports shirts. They provide day-long UPF 50+ protection for sports like cricket, golf, softball, tennis, soccer and sailing, where exposure is high. Available in sizes from age 3 to adult, in a variety of colours, with customisation options.

# Join up and Save!

## Option 1

**Simply sign up, and your club will get 15% of the sale value into the club funds – approx. \$4 for every pair sold. This applies to all sizes and colours in our online range. Easy!**

## About Crazy Arms

Crazy Arms Clothing was set up by three Aussie dads. Keen to protect their children, slightly concerned about the chemicals in sun screen, fed up with the fuss and mess every day, and keen to create something fun that kids would want to wear.

- Crazy Arms are held in place at the top of the arm by a light elastic and with the stretch of the material
- They are made from recycled waste nylon, like old recovered fishing nets
- They are ARPANSA tested UPF 50+
- They come in a range of colours and kid-friendly designs
- Originally created for 5-12 year olds, we now offer core colours from age 3 to adult.
- Retail price from \$27.50 - \$32.50
