

2021 Ford Bronco
RTR Tire Carrier
Accessory Plate
Part number 14021.0011.14.B

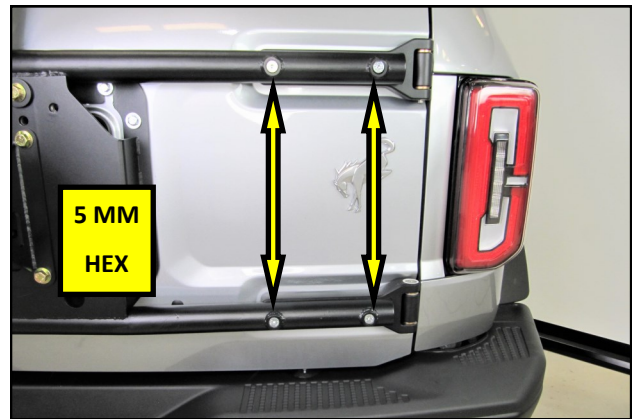

Components Included

1.	Accessory Plate	1
2.	Hardware Pack	1
3.	Instructions	1

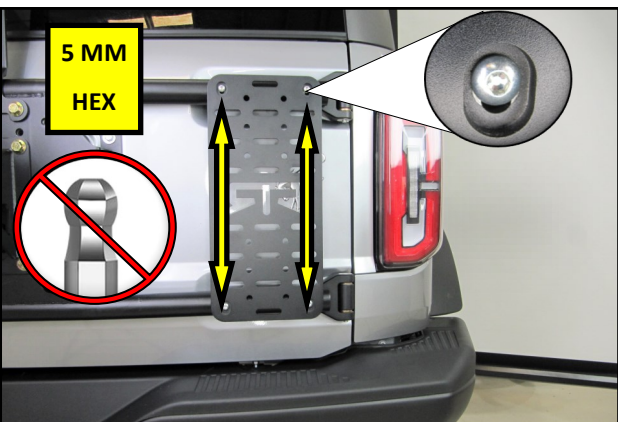

The RTR Accessory Plate is intended to be installed onto a vehicle that is already fitted with the RTR Tire carrier. An adapter kit to mount the accessory Plate onto the OEM hinges is available and can be purchased separately.

1. With the vehicle parked on a level surface remove the spare tire and set it aside.

2. Using a 5 MM Hex driver, remove the four Tire Carrier external Hinge Bolts.

3. Mount the Accessory Plate onto the Tire Carrier using the supplied Button Head Cap Screws. RTR advises the use of Loctite® Threadlocker Blue 242, or equivalent, on all these fasteners. Torque the Screws to 17 lb.ft using a 5 MM hex bit, in like new condition .

4. Reinstall the spare tire onto the carrier and torque the lug nuts to 41 Lb.-ft.
